

SPE ASIA PACIFIC REGIONAL STUDENT PRESENTATION / PAPER CONTEST GUIDELINES

The Contest will be organised by: SPE ASIA PACIFIC OFFICE (KUALA LUMPUR)

to coincide with: 2011 SPE Asia Pacific Oil & Gas Conference and Exhibition
20-22 September 2011 – Jakarta, Indonesia

CONTEST DETAILS

1. The Contest will be based on Abstracts (200-300 words with a maximum of two diagrams) submitted by any SPE member who is a full-time student.
2. The subject of the Abstract must be related to Petroleum Engineering (including processing and offshore facilities), and shall be a typed submission in the English Language.
3. The Abstract shall represent as completely as possible the original work of a single author in planning the investigation, performing the project and interpreting the results.
4. Contestants **must** be SPE members in current good standing, and be enrolled as full-time students.
5. Abstracts entered in the contest shall not have been published in a professional journal or presented at an earlier SPE Regional Student Paper Contest. This provision does not preclude prior presentation at meetings sponsored by universities, colleges, SPE local sections or other organisations. If in doubt, consult the Student Paper Organising Chairperson.
6. Contestants must complete an Entry Form and submit it along with the Abstract (written paper - if available) to the Organising Chairman by **4 April 2011**.
7. Finalists will be selected and invited to present their work in person before the Judging Panel at the Student Paper Contest on the first day – 20 September 2011 of the Asia Pacific Oil & Gas Conference and Exhibition, Jakarta, Indonesia. Each finalist is limited to a presentation time of no more than 20 minutes.
8. Submissions of written papers are optional. The Contestants are encouraged to submit a written paper consisting of a minimum of 1,000 words of text, plus as many diagrams and supporting illustrations as may be considered necessary to elucidate the subject matter. The paper must not exceed 7,000 words equivalent of text and diagrams, with each diagram considered to be the equivalent of 250 words. Optional papers are to be submitted to the Organising Chairman by **18 July 2011**.

9. Only single-author Abstracts are eligible.

10. Contest Division:

The contest will have two Divisions, an Undergraduate Division and Postgraduate Division (Masters Degree and PhD) only.

11. Prizes:

The number of prizes will depend on the number of contestants in the division.

First Prize	:	Max. US\$250.00
Second Prize	:	Max. US\$150.00 (if awarded)
Third Prize	:	Max. US\$100.00 (if awarded)

12. Financial Support of Finalists:

Finalists are encouraged to seek funds from local industry or their local SPE section to assist with the costs of travel.

Accommodation can be arranged by the respective local SPE section for the night before the competition and, if required, the night after the competition. More details of financial arrangements will be announced when finalists' names are notified to universities.

Students will enjoy free entry to the Conference/Exhibition.

13. The Winner:

The first place winner will be invited by SPE to present his/her work at the SPE International Student Paper Contest to be held at the 2012 SPE Annual Technical Conference and Exhibition (ATCE) scheduled 7-10 October 2012 in San Antonio, Texas, U.S.A.
